MEYR employees

Subject: ICT C3 Coursework Remedials

Date: 21st May 2026

Heads of School are kindly asked to bring the following information to the attention of all ICT Teachers.

Scholastic Year 2025 -2026 ICT C3 Coursework Remedials Application

As part of our ongoing efforts to provide targeted educational support to students who have encountered barriers to learning due to unforeseen circumstances, another round of ICT C3 coursework remedial classes will be offered.

ICT C3 coursework remedial classes will take place between the **7th and 17th of July 2026**.

Scope of Classes:

- Remedial classes are available to students in State, Church and Independent schools,
- The classes address the C3 coursework component only,
- Students may enrol in remedials for coursework from any previous middle and secondary academic years.

Eligibility Criteria: Participation is limited to students who have completed the current academic year and who meet one or more of the following conditions:

- Experienced extended absenteeism of three consecutive weeks or more, resulting in no coursework mark being submitted.
- Previously attended a school that did not offer ICT C3.
- Joined a school mid-year and consequently missed the coursework component.

In addition, other exceptional and justified circumstances not listed above may be considered. In such cases, schools or applicants are encouraged to contact the Directorate for STEM & VET Programmes (DSVP) at dsvp.meyr@gov.mt for further guidance.

Responsibilities of Schools and ICT Teachers:

- It is the duty of the School Leadership Team and ICT teachers to ensure that all eligible students are informed about the availability of the remedial classes.
- Students are required to complete and submit the necessary remedial application forms themselves.

Application Deadline and Procedures:

- The deadline for application submissions is **3rd of June 2026**.
- After the application deadline, the ICT team will forward the list of applicants to the respective School Senior Leadership Team for confirmation and verification of eligibility criteria.

Application form link: <https://forms.cloud.microsoft/e/RX1eVKwbK5>

Venue: Eligible applicants will be notified of the venue where the remedials classes will be held once applications are processed by DSVP.

For any further information or queries please contact Mr David Degabriele (EO, ICT C3) via email on david.degabriele.2@ilearn.edu.mt or on 2598 1642.

Thank you for your collaboration.
